

CHANGES

You can see the changes, you can help this world, how long it will take I don't know.

You can see the changes, you can help this world, how long it will take I don't know.

You can see the changes, you can help this world, how long it will take I don't know.

When you don't expect it, you can kill yourself, this world is one, this world is the best, one song won't change things, but you can change everything/everything/everything.

You can see the changes, you can help this world, how long it will take I don't know.

You can see the changes, you can help this world, how long it will take I don't know.

You can see the changes, you can help this world, how long it will take I don't know.

You can see the changes, you can help this world, how long it will take I don't know.
